PANTHONIAN

PRESENTING

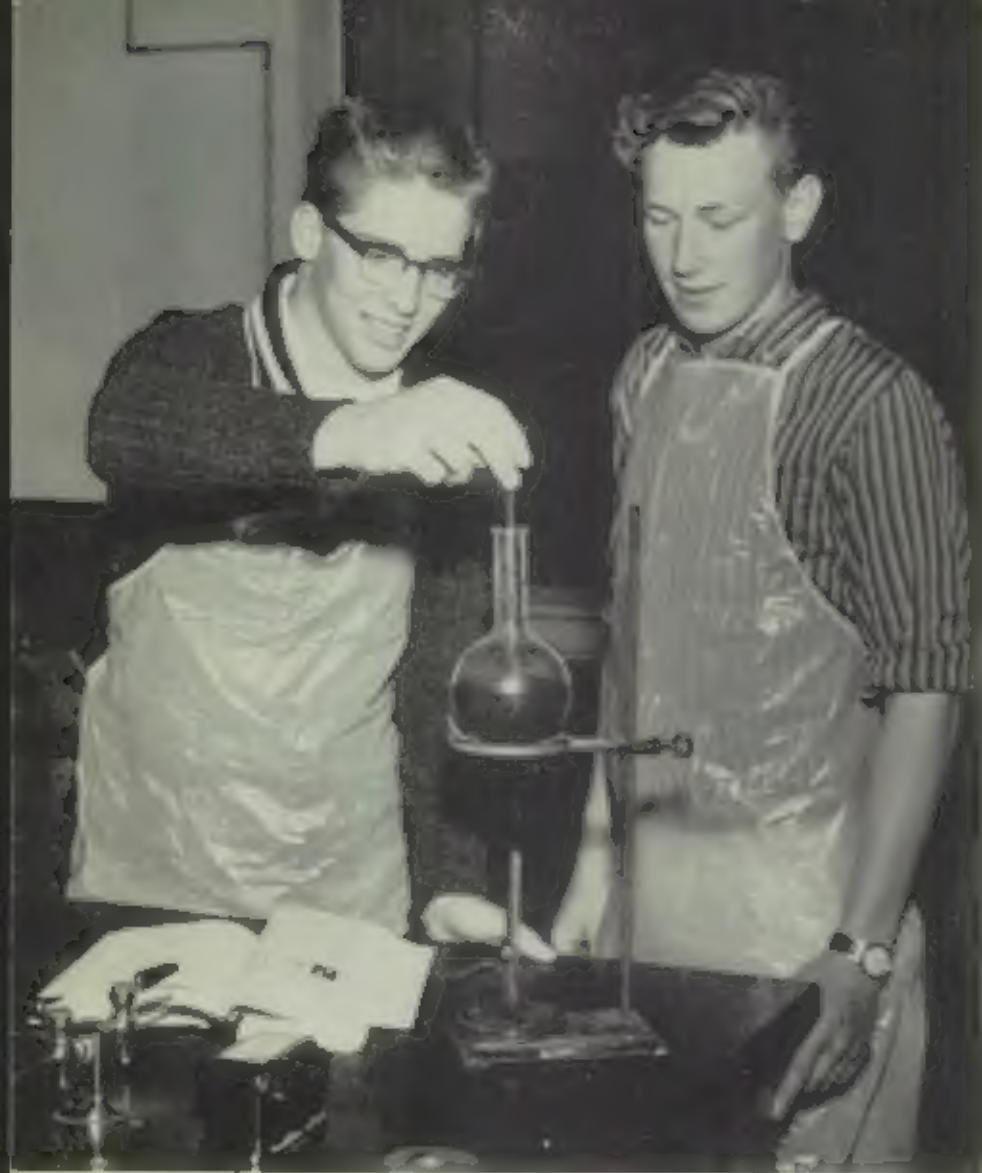

THE

1960

PANTHONIAN

**HAYESVILLE HIGH SCHOOL
HAYESVILLE, OHIO**

There's time for work.

This is our yearbook. Physically it is a survey of pictures and school activities, but mentally it brings back the golden memories that will echo through the halls of our Alma Mater for years to come.

As we turn the pages of the 1960 PANTHONIAN, let us remember the past and the efforts of others who introduced us to the world of education. Let us also think of the future and set our goals higher for the years to come.

LET US TAKE TIME

There's time for play.

There's time for laughter.

There's time for quietness.

TO REMEMBER 1959-60

There's time for memories.

UNDERCLASSMEN

JUNIORS

The juniors have had quite a year. Forty class members rejoiced on September 28, the day they received their class rings, and toiled over the play and the junior-senior prom in April. A class flower, a class motto, and class colors were chosen during the year. In May, five girls and five boys served as ushers at graduation.

Some money-making projects for this year were the selling of pecans, desk sets, stationery, and running the Junior Supply Shop.

This year certainly was work, but all in all, it was lots of fun.

SOPHOMORES

One more year has passed and the sophomores are at the halfway point of their high school career.

To raise money this year, the class sold pennants, pins, bookmarks, and bumper strips. Other activities included sponsoring a dance and serving refreshments at a football and a basketball game. Also, one of the most exciting days was when the class rings were ordered in April.

The sophomores have only a small class of twenty nine members, but they are looking forward to big things in their last two years of high school.

FRESHMEN

High School -- at last! Thirty nine members of the freshman class voiced their choice last September.

New activities for the class included serving refreshments at a football and basketball game, joining clubs, sponsoring dances, taking part in high school elections, selecting subjects, trying out for athletics and cheerleading, and taking part in the annual magazine campaign.

For the freshmen, high school has been new, exciting, and a lot of fun. Just think, we still have three more years of this!

KING Gene

QUEEN Charlotte

On December 17, 1959, last year's Christmas queen, Jamie Gregg, crowned Gene Rush and Charlotte Koegler as king and queen of this year's Christmas festivities at Hayesville High School. Attendants to the senior king and queen were: Karen McFarlin and John Echelberger, Juniors; Janice Williams and Dick Dilgard, Sophomores; and Cathy Huber and Gary Helbert, Freshmen.

CHRISTMAS DANCE

THE COURT

Cathy, Janice, Karen, Gary, Dick, and John.

The "Tinsel Twirl" was sponsored by the Y-Teens. Music for the evening was provided by the Loudonville High School Dance Band under the direction of Mr. Day.

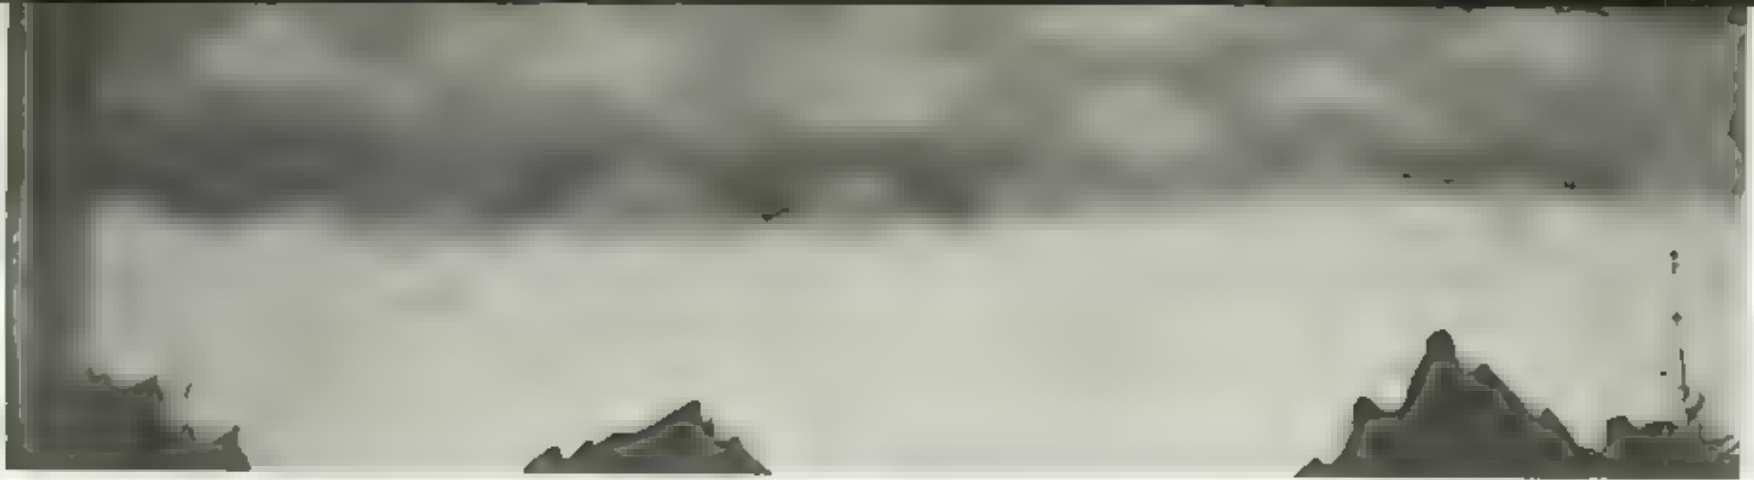

The presence of Santa Claus and a lot of mistletoe were added to make the occasion very memorable and enjoyable for all who attended.

BANQUET AND PROM

"ALPINE HOLIDAY"

After a week of much excitement and many secrets, the members of the senior class were honored by the junior class at the annual banquet and prom on April 5, 1960.

A candlelight banquet dinner was served by the members of the sophomore class and enjoyed by all. Following the banquet, the students and their guests danced to the music of Strine's orchestra at the school gymnasium. After the dance a post prom party was sponsored by the junior-senior parents for the students and their guests.

Students participate in the Grand March to start the dance.

The Yearbook is now finished. We hope you, in years to come, will find much in it to remember and enjoy.

As editor, I should like to express my thanks to all the staff and our advisor, Mrs. Helen Perry, for the help and cooperation given me throughout the year.

The publishing of the Yearbook is, of course, made possible by the merchants of Mansfield and our friends in other towns. To them I also say thank you.

As the years go by, and the school presses on to higher standards, perhaps there will be opportunities for larger and better records of student activities. We wish future classes success, and may they have continued interest in their Alma Mater.

Thank You
The 1960 Yearbook staff
